marketplace forever,
is to mobilize the most
powerful consumer
force in the world-
women.

MacEachern's
message is simple but
revolutionary. If
women harness the
"power of their purse"
and intentionally shift
their spending money
to commodities that
have the greatest

environmental benefit,
they can create a
cleaner, greener
world. Spirited and
informative, this book:

- targets twenty
commodities-cars,
cosmetics, coffee,
food, paper products,
appliances, cleansers,
and more-where
women's dollars can
make a dramatic
difference; - provides
