But with his dad as his coach, and his parents newly separated, somehow everything's become complicated. His brother Ben hardly talks anymore. His mom is always traveling on business. For example, like clockwork, we'll run head-on into asteroid and cometary debris that spreads shooting stars across our skies. On occasion, we'll get to watch the disk of the Moon passing the Sun,

Chandler has found a new love—and his best human friend is reluctantly coming to grips with Remy’s “unusual” abilities. He’s finally reached a kind of peace between his true angelic nature and the human persona he created for himself so long ago. But Heaven and the Legions of the Fallen still stand on the brink of war.
