Seventh Son (novel) - Wikipedia

Madelina is the youngest daughter of a Norman conqueror and a woman of power. Her own power is insignificant enough in her eyes that she trains to be a healer under the expert tutelage of her mother. When a child is brought to the castle where she lives, she knows she doesn't have the skills to heal him, and her mother's powers-and her own-will need to be revealed to a handsome knight.Alexander Lain is the seventh son of a seventh son, and as such he has luck on his side in everything he does. When he finds a peasant child burning with fever, her parents burning in a hovel nearby, he takes the child, hoping to find someone who can heal her. He's pointed toward the castle and Lady Lina, and he takes the child there, finding it convenient that his errand was taking him to the same place. What he sees in his first hour in the castle astounds him, but it doesn't keep him from an attraction for the young lady there. Will he be able to convince her-and her father-she's meant to be his bride? Or will his luck finally run out?*"Note this romance contains a mild sex scene"

New York Times bestseller ? Indie Next Pick You gotta know the rules to play the game. Ball is life. Take it to the hoop. Soar. What can we imagine for our lives? What if we were the star players, moving and grooving through the game of life? What if we had our own rules of the game to help us get what we want, what we aspire to, what will enrich our lives? Illustrated with photographs by Thai Neave, **The Playbook** is intended to provide inspiration on the court of life. Each rule contains wisdom from inspiring athletes and role models such as Nelson Mandela, Serena Williams, LeBron James, Carli Lloyd, Steph Curry and Michelle Obama. Kwame Alexander also provides his own poetic and uplifting words, as he shares stories of overcoming obstacles and winning games in this motivational and inspirational book just right for graduates of any age and anyone needing a little encouragement.

Who knew you'd be a true weaver? Great things have been expected of Thea, the seventh child of two seventh children. Now, with Cheveyo, a mage, Thea has begun to weave herself a new magical identity, infused with elements of the original worlds. But back home, Thea keeps her abilities hidden and attends the Wandless Academy, the one school on Earth for those who have no apparent magical talent. It is there that Thea realizes that her enemies are hungrier and more dangerous than she knew. What's more, her greatest strength may be the powerlessness she has resisted for so long.

In this electric follow-up to Newbery Medal–winner The Crossover, soccer, family, love, and friendship take the field as twelve-year-old Nick learns the power of words as he wrestles with problems at home, stands up to a bully, and tries to impress the girl of his dreams. Like lightning/you strike/fast and free/legs zoom/down field/eyes fixed/on the checkered ball/on the goal/ten yards to go/can’t nobody stop you/ can’t nobody cop you . . . Nobody can stop Nick . . . at least not on the field. Off it is a different matter. But helping him along as he deals with bullies and problems at home are his best friend and sometimes teammate Coby, and The Mac, a rapping librarian who gives Nick inspiring books to read. This heartfelt novel-in-verse by poet Kwame Alexander bends and breaks as it captures all the thrills and setbacks, action and emotion of a World Cup match!

The first book in Chris Colfer's #1 New York Times bestselling series The Land of Stories about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. The Land of Stories tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.

A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy “Alex” Stern is the most unlikely member of Yale’s freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she’s thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world’s most prestigious universities on a full ride. What’s the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale’s secret societies. Their eight windowless “tombs” are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street’s biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

The Magic World - Edith Nesbit - The Magic World is an influential collection of twelve short stories by E. Nesbit. It was first published in book form in 1912 by Macmillan and Co. Ltd., with illustrations by H. R. Millar and Gerald Spencer Pryse. The stories, previously printed in magazines such as Blackie's Children's Annual, are typical of Nesbit's arch, ironic, clever fantasies for children.

NEW TIME TRAVEL ALT. HISTORY FROM A MASTER: Flint's Ring of Fire and Boundary series have proved him to be a master of time travel alternate history. Here then, a new tale of persons displaced in time, fighting for their lives. Twice before, mysterious cosmic catastrophes have sent portions of the Earth across space and back in time—first, with the Grantville Disaster in West Virginia, and then again with a maximum security prison in southern Illinois. Now, the planet is struck with yet another such cataclysm, whose direct impact falls upon the Queen of the Sea, a cruise ship in the Caribbean. When the convulsions subside, the crew and passengers of the ship discover that they have arrived in a new and frightening world. They are in the Mediterranean now, not the Caribbean. Still worse, they discover that the disaster has sent them more than two thousand years back in time. Following the advice of an historian among the passengers, Marie Easley, they sail to Egypt—or, at least, where they hope Egypt will be. Sure enough, Egypt is there—ruled over by Ptolemy, the founder of the Ptolemaic dynasty and one of Alexander the Great's chief generals. Alexander the Great, it turns out, died just two years ago. The western world has just entered what would become known as the Hellenistic Period of history, during which time Greek civilization would spread around the Mediterranean and beyond. But the first fifty years of the Hellenistic Period was the Age of Diadochi—the Time of the Successors—when Alexander’s empire would collapse into chaos. By the time the Successors finished their strife, every single member of Alexander’s dynasty would be murdered and only three of the generals who began that civil war would still be alive. That is the new world in which the Queen of the Sea finds itself. Can Marie Easley and Captain Lars Flodden guide the crew and passengers through this cataclysm? Fortunately, they have some help: a young Norwegian ship’s officer who forms an attachment to Alexander’s widow; a French officer who is a champion pistol marksman; a canny Congressman from Utah—and, most of all, many people of the time who are drawn to a vision of the better world of the future. At the publisher’s request, this title is sold without DRM (Digital Rights Management). About Eric Flint’s Ring of Fire series: “This alternate history series is...a landmark...”—Booklist “[Eric] Flint’s 1632 universe seems to be inspiring a whole new crop of gifted alternate historians.”—Booklist “. . .reads like a technothriller set in the age of the Medicis...”—Publishers Weekly

When second son Alexander Valentine loses his brother to an assassin's arrow, he discovers that his family protects an ancient secret and reluctantly finds himself at the center of the final battle of a war that was supposed to have ended two thousand years ago. Pursued by the dark minions of an ancient enemy, Alexander flees to the mountain city of Glen Morillian where he discovers that he is the heir to the throne of Ruatha, one of the Seven Isles, but before he can claim the throne he must recover the ancient Thinblade. Seven were forged by the first Sovereign of the Seven Isles and bound to the bloodline of each of the seven Island Kings in exchange for their loyalty to the Old Law. Each sword is as long as a man's arm, as wide as a man's thumb and so thin it can't be seen when viewed from the edge. Thinblade is the story of Alexander's quest to find the ancient sword, claim the throne of Ruatha and raise an army to stand against the enemy that has awoken to claim dominion over all of the Seven Isles.
