While one cow, two pigs, three sheep, and increasing numbers of other animals can be found in their usual spots on the farm, one of each kind of farm animal is hiding behind the flaps. On board pages.

DK Readers allow beginning readers to progress from easy-to-follow stories with simple sentences and word repetition to more sophisticated storylines, sentence structure, and new vocabulary. Part of the multistage reading program with five graduated levels Stunning photographs and engaging, age appropriate stories

Examines how such woodland animals as squirrels, frogs, turtles, moths, and deer blend into their environment and stay hidden from predators and people.

Illustrations and text present a variety of animals that are found in different types of habitats around the world, such as the Arctic tundra, North American desert, Amazonian rainforest, and Himalayan mountains.

When mischievous monkeys set a trainload of zoo-bound animals free, it is up to Thomas the tank engine to round them up.

Play hide and seek with The Very Hungry Caterpillar in this fantastic finger trail lift-the-flap book! Who is in the forest where it's bright and sunny? Busy, buzzing bees making tasty honey! A fun first introduction to woodland creatures and their habitats. With its gentle rhyming narrative, chunky flaps and finger trails, this book is perfect for little explorers!

A wonderful first gift for babies and toddlers, with flaps and touchy-feely patches, this book introduces the popular characters from Apple Tree Farm to very young children.

Help! Some of the animals are hiding! Can you find them and return them to their proper homes? A fun seek and find book, full of animals from all around the globe, beautifully illustrated by Charlene Man. A wonderful first introduction for children of 3+ to animals around the world and where they live.

Come and play in the savannah today! Follow the finger trails to explore and life the flaps to discover wild animals.

Examines how and why certain birds, insects, and mammals disappear by blending in with their backgrounds.
