This book is a compilation of the material represented in the four volumes previously entitled Funn Stuff, and as such, delivers over 300 pages of adventure games, initiatives, trust activities, miscellaneous funn, and seeds of serendipity (including 23 NEW activities not included in Funn Stuff).

Physically engaging activities usable in an outdoor setting. While there are definite benefits to staging these activities outside, most of them work equally well indoors and only require readily available, low-cost materials. Complete set-up instructions and game guidelines are included for all 36 exercises. Each activity takes between 1 and 3 hours

This book is designed to provide Human Resource Development program designers, workshop presenters, facilitators, and consultants with creative, structured learning experiences and detailed guidance on how to use them for effective training, conferences, and workshops. It is a practical handbook containing 36 varied and versatile activities that cover a comprehensive range of learning themes. Although these activities are particularly well suited to team building, group problem solving, and leadership training, they can be used for communication, decision making, creativity, resource management, and a multitude of other learning purposes. Their flexibility, in terms of fit with a broad spectrum of training agendas, makes them particularly useful. Each activity can serve a range of training needs and agendas. Each activity has applicability to a variety of learning themes, some of which can be explored in depth using the activity alone or in conjunction with
