# File Type PDF Daughter Of Empire My Life As A Mountbatten Pamela Hicks

The princess daughter Lord Louis and Edwina Mountbatten and descendant of British and Russian royals documents her singular childhood in England and India surrounded by famous guests, her parents' open lovers and her exotic pets. By the author of *India Remembered*. 40,000 first printing.

“Lady Pamela Hicks’s joyously entertaining new memoir, arguably the poshest book that ever has or will be written” (Newsweek), is a privileged glimpse into the lives and loves of some of the twentieth century’s leading figures. Pamela Mountbatten entered a remarkable family when she was born in Madrid at the very end of the “Roaring Twenties.” Daughter of the glamorous heiress Edwina Ashley and Lord Louis Mountbatten, Pamela spent much of her early life with her sister, nannies, and servants—not to mention a menagerie of animals that included, at different times, a honey bear, chameleons, a bush baby, and a mongoose. Her parents’ vast social circle included royalty, film stars, celebrities, and politicians. Noel Coward invited Pamela to watch him film, and Douglas Fairbanks Jr. dropped in for tea. However when war broke out Pamela and her sister were sent to New York to live with Mrs. Cornelius Vanderbilt, while the prime minister appointed her father to be the last Viceroy of India. Amid the turmoil, Pamela came of age, meeting the student leaders who had been released from jail, working in the canteen for Allied forces and in a clinic outside Delhi. She also developed a close bond with Gandhi and Jawaharlal Nehru. “If you are addicted to *Downton Abbey*, chances are that you will relish *Daughter of Empire*, a British aristocrat’s memoir of her childhood and coming of age—She is also a keen observer of a way of life now vanished, except on PBS” (The Wall Street Journal). “Not many people remain who can tell stories like *Lady Pamela Hicks*” (Vanity Fair).

# File Type PDF Daughter Of Empire My Life As A Mountbatten Pamela Hicks

A source of inspiration for the film *Viceroy's House* Pamela Mountbatten was born at the end of the 1920s into one of Britain's grandest families. The daughter of Lord Louis Mountbatten and his glamorous wife Edwina Ashley, she was brought up by nannies and governesses as she was often parted from her parents as they dutifully carried out their public roles. A solitary child, she learned to occupy her days lost in a book, riding or playing with the family's animals (which included at different times a honey bear, chameleons, a bush baby, two wallabies, a lion, a mongoose and a coati mundi). Her parents' vast social circle included royalty, film stars, senior service officers, politicians and celebrities. Noel Coward invited Pamela to watch him filming; Douglas Fairbanks Jr. dropped in for tea and Churchill would call for 'a word with Dickie'. After the war, Pamela truly came of age in India, while her parents were the Last Viceroy and Vicereine. This introduction to the country would start a life-long love affair with the people and the place.

An epic tale of adventure and intrigue, *Daughter of the Empire* is fantasy of the highest order by two of the most talented writers in the field today. Magic and murder engulf the realm of Kelewan. Fierce warlords ignite a bitter blood feud to enslave the empire of Tsuranuanni. While in the opulent Imperial courts, assassins and spy-master plot cunning and devious intrigues against the rightful heir. Now Mara, a young, untested Ruling lady, is called upon to lead her people in a heroic struggle for survival. But first she must rally an army of rebel warriors, form a pact with the alien choja, and marry the son of a hated enemy. Only then can Mara face her most dangerous foe of all—in his own impregnable stronghold.

In March 1947 Lord Louis Mountbatten became the last

## File Type PDF Daughter Of Empire My Life As A Mountbatten Pamela Hicks

Viceroy of India, with the mandate to hand over 'the jewel in the crown' of the British Empire within one year. Mountbatten worked with Nehru, Gandhi and the leader of the Muslim League, Jinnah, to devise a plan for partitioning the empire into two independent sovereign states, India and Pakistan, on August 15, 1947 and he remained as interim Governor-General of India until June 1948. During this time Lord Mountbatten's daughter and India's mother, Pamela, was with her parents and kept a diary recounting this extraordinary tale of history. The diaries include their trips to stay in Calcutta, Bombay, Madras, Orissa and Assam, and the exotic palaces of Indian rulers. 'India Remembered' is a scrapbook of private family photographs taken during this historical period (Edwina Mountbatten walking arm in arm with Nehru through a courtyard, or Gandhi taking tea for the first time at Viceroys House). Includes many anecdotes from Pamela Mountbatten's diaries such as reminiscences of having to leave 10 minutes before dinner was actually announced as the walk from the bedroom to the dining hall was so far (if running really late, riding a bicycle through the corridors to make time). Includes photographs evoking the atmosphere of the Mountbattens' favourite retreat, that of Viceregal Lodge in Simla.

From debut author Carolyn Tara O'Neil comes a thrilling alternate history set during the Russian Revolution. Russia, 1918: With the execution of Tsar Nicholas, the empire crumbles and Russia is on the edge of civil war—the poor are devouring the rich. Anna, a bourgeois girl, narrowly escaped the massacre of her entire family in Yekaterinburg. Desperate to get away from the Bolsheviks, she offers a peasant girl a diamond to take her as far south as possible—not realizing that the girl is a communist herself. With her brother in desperate need of a doctor, Evgenia accepts Anna's offer and suddenly finds herself on the wrong side of the war. Anna is being

# File Type PDF Daughter Of Empire My Life As A Mountbatten Pamela Hicks

hunted by the Bolsheviks, and now—regardless of her loyalties—Evgenia is too. *Daughters of a Dead Empire* is a harrowing historical thriller about dangerous ideals, loyalty, and the price we pay for change. An imaginative retelling of the Anastasia story.

Biografi om Edwina Mountbatten, gift med Indiens sidste vicekonge

The intimate story of a unique marriage spanning the heights of British glamour and power that descends into infidelity, manipulation, and disaster through the heart of the twentieth century. **DICKIE MOUNTBATTEN:** A major figure behind his nephew Philip's marriage to Queen Elizabeth II and instrumental in the royal family taking the Mountbatten name, he was Supreme Allied Commander of South East Asia during World War II and the last Viceroy of India. **EDWINA MOUNTBATTEN:** Once the richest woman in Britain—and a playgirl who enjoyed numerous affairs—she emerged from World War II as a magnetic and talented humanitarian worker who was loved throughout the world. From British high society to the South of France, from the battlefields of Burma to the Viceroy's House, *The Mountbattens* is a rich and filmic story of a powerful partnership, revealing the truth behind a carefully curated legend. Was Mountbatten one of the outstanding leaders of his generation, or a man over-promoted because of his royal birth, high-level connections, film-star looks and ruthless self-promotion? What is the true story behind controversies such as the Dieppe Raid and Indian Partition, the love affair between Edwina and Nehru, and Mountbatten's assassination in 1979?

Winner of the Pulitzer Prize —Russo writes with a warm, vibrant humanity.... A stirring mix of poignancy, drama and

# File Type PDF Daughter Of Empire My Life As A Mountbatten Pamela Hicks

comedy. The Washington Post Welcome to Empire Falls, a blue-collar town full of abandoned mills whose citizens surround themselves with the comforts and feuds provided by lifelong friends and neighbors and who find humor and hope in the most unlikely places, in this Pulitzer Prize-winning novel by Richard Russo. Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town—and seems to believe that "everything" includes Miles himself. In Empire Falls Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

The Bone Shard Daughter is an unmissable debut from a major new voice in epic fantasy — a stunning tale of magic, mystery, and revolution in which the former heir to the emperor will fight to reclaim her power and her place on the throne. "One of the best debut fantasy novels of the year." — BuzzFeed News "An amazing start to a new trilogy." — Culturess "It grabs you by the heart and the throat from the first pages and doesn't let go." — Sarah J. Maas The emperor's reign has lasted for decades, his mastery of bone shard magic powering the animal-like constructs that maintain law and order. But now his rule is failing, and revolution is sweeping across the Empire's many islands. Lin is the emperor's daughter and spends her days trapped in a palace of locked doors and dark secrets. When her father refuses to recognise her as heir to the throne, she vows to prove her worth by mastering the forbidden art of bone shard magic. Yet

such power carries a great cost, and when the revolution reaches the gates of the palace, Lin must decide how far she is willing to go to claim her birthright - and save her people.

"One of the best debut fantasy novels of the year."

▫BuzzFeed News "An amazing start to a new trilogy."

▫Culturess "It grabs you by the heart and the throat from the first pages and doesn't let go." ▫Sarah J. Maas "Epic fantasy at its most human and heartfelt . . . inventive, adventurous and wonderfully written."

▫Alix E. Harrow "Utterly absorbing. I adored it." ▫Emily Duncan "A thoroughly fantastic read."

▫Kevin Hearne "Stewart's debut is sharp and compelling. It will hook readers in and make them fiercely anticipate the rest of the series." ▫Booklist "Groundbreaking epic fantasy for a new age." ▫Tasha Suri "Begins with a spark of intrigue that ignites into a thrilling adventure." ▫Hafsah Faizal
