In this dazzling retelling of one of Ireland ' s most stirring legends, acclaimed author Jules Watson brings to life the story of Maeve, the raven queen, who is as fierce as she is captivating. She was born to be a pawn, used to secure her father ' s royal hold on his land. She was forced to advance his will through marriage--her own desires always thwarted. But free-spirited Maeve will no longer endure the schemes of her latest husband, Conor, the cunning ruler of Ulster. And when her father ' s death puts her homeland at the mercy of its greedy lords and Conor ' s forces, Maeve knows she must at last come into her own power to save it. With secret skill and daring, Maeve proves herself the equal of any warrior on the battlefield. With intelligence and stealth, she learns the strategies--and sacrifices--of ruling a kingdom through treacherous alliances. And to draw on the dangerous magic of her country ' s oldest gods, Maeve seeks out the wandering druid Ruan, whose unexpected passion and strange connection to the worlds of spirit imperil everything Maeve thought true about herself--and put her at war with both her duty and her fate.

Orphaned by a tragic accident at sixteen, Tommy Burwell's been scraping out a meager existence working dead-end jobs for years. When he and fellow nomad Four Trey Whitey get jobs working with dynamite, making way for a new pipeline across the deserted plains of Far West Texas, disaster ensues. In a matter of days, Tommy is brutally beaten and witness to an act of cold-blooded murder the law can't be bothered to investigate. When Carol, a knockout beauty, shows up looking to follow the caravan of workers, Tommy falls for her almost immediately. There aren't any jobs for women on the pipeline, but Carol knows a few things she could do for the workers to keep afloat -- an arrangement that Tommy can't bear for long. As Tommy's about to find out, when you're South of Heaven, you're far from grace --and sometimes the only way out is down.
