Clarice Starling, a young trainee at the F.B.I. Academy, is surprised to be summoned by Jack Crawford, Chief of the Bureau's Behavioral Science section. Her assignment: to interview Dr. Hannibal Lecter, a brilliant psychiatrist and grisly killer now kept under close watch in the Baltimore State Hospital for the Criminally Insane. Lecter's insight into the minds of murderers could help track and capture Buffalo Bill. Smart and attractive, Starling is shaken to find herself in a strange, intense relationship with the acutely perceptive Lecter. His cryptic clues—about Buffalo Bill and about her—launch Clarice on a search that every reader will find startling, harrowing, and totally compelling. An ingenious, masterfully written novel, The Silence of the Lambs is a classic of suspense and storytelling.

A resilient young woman must outwit a sadistic psychopath in this pulse-pounding thriller from the author of The Silence of the Lambs, a "master still at the top of his strange and chilling form" (Wall Street Journal). Twenty-five million dollars in cartel gold lies hidden beneath a mansion on the Miami Beach waterfront. Ruthless men have tracked it for years. Leading the pack is Hans-Peter Schneider. Driven by unspeakable appetites, he makes a living fleshing out the violent fantasies of other, richer men. Cari Mora, caretaker of the house, has escaped from the violence in her native country. She stays in Miami on a wobbly Temporary Protected Status, subject to the iron whim of ICE. She works at many jobs to survive. Beautiful, marked by war, Cari catches the eye of Hans-Peter as he closes in on the treasure. But Cari Mora has surprising skills, and her will to survive has been tested before. Monsters lurk in the crevices between male desire and female survival. No other writer in the last century has conjured those monsters with more terrifying brilliance than Thomas Harris. Cari Mora, his sixth novel, is the long-awaited return of an American master.
