Persians and Other Plays - Aeschylus - Oxford University Press

Persians is the only surviving tragedy to draw on contemporary history, the Greeks' extraordinary victory over Persia in 480 BC. The Persians' aggression is inhuman in scale, and offends the gods, but while celebrating the Greek triumph, Aeschylus also portrays the shock of the defeated with some compassion.

"Oxford World's Classics: Aeschylus: Persians and Other Plays" published on by Oxford University Press.

Oxford World's Classics: Aeschylus: Persians and Other Plays

Aeschylus is the first of the great Greek playwrights, and the four plays in this volume demonstrate the remarkable range of Greek tragedy. Persians is the only surviving tragedy to draw on contemporary history, the Greeks' extraordinary victory over Persia in 480 BC. The Persians' aggression is inhuman in scale, and offends the gods, but while celebrating the Greek triumph, Aeschylus also ...

Antigone; Oedipus the King; Electra: WITH Oedipus the King ...

Aeschylus offers a satisfying play because he refuses to offer us satisfyingly neat conclusions — about war, about conquest, about human nature. The best English translation of Aeschylus' play is, in our view, Persians and Other Plays (Oxford World's Classics).

Classical Greek dramatic poetry and drama.

Aeschylus (525-456 BC) brought a new grandeur and epic sweep to the drama of classical Athens, raising it to the status of high art. The Persians, the only Greek tragedy to deal with events from recent Athenian history, depicts the final defeat of Persia in the battle of Salamis, through the eyes of the Persian court of King Xerxes, becoming a tragic lesson in tyranny. In Prometheus Bound, the defiant Titan Prometheus is brutally punished by Zeus for daring to improve the state of wretchedness and servitude in which mankind is kept. Seven Against Thebes shows the inexorable downfall of the last members of the cursed family of Oedipus, while The Suppliants relates the pursuit of the fifty daughters of Danaus by the fifty sons of Aegyptus, and their final rescue by a heroic king.

An accurate and readable new translation, with introduction, extensive explanatory notes, and up-to-date bibliography, of four of Aeschylus' plays, including the unique historical tragedy Persians and the hugely influential Prometheus Bound.

Aeschylus (525 – 456 BC) brought a new grandeur and epic sweep to the drama of classical Athens, raising it to the status of high art. In Prometheus Bound the defiant Titan Prometheus is brutally punished by Zeus for daring to improve the state of wretchedness and servitude in which mankind is kept. The Suppliants tells the story of the fifty daughters of Danaus who must flee to escape enforced marriages, while Seven Against Thebes shows the inexorable downfall of the last

members of the cursed family of Oedipus. And *The Persians*, the only Greek tragedy to deal with events from recent Athenian history, depicts the aftermath of the defeat of Persia in the battle of Salamis, with a sympathetic portrayal of its disgraced King Xerxes. Philip Vellacott's evocative translation is accompanied by an introduction, with individual discussions of the plays, and their sources in history and mythology.

A new, accurate, and readable translation of four of Aeschylus' plays: *Persians*, *Seven Against Thebes*, *Suppliants*, and *Prometheus Bound*. It is based upon the most authoritative recent edition of the Greek text and particular care is taken with the many lyric passages. A lengthy introduction sets the plays in their original context, and includes short appreciative essays on them. The explanatory notes treat dramatic issues, structure and form, and theatrical aspects, as well as details of content and language. Major difficulties in the texts themselves, which affect general interpretation, are briefly discussed. The volume as a whole should provide an informative, reliable, and suggestive basis for study and enjoyment.

Based on the conviction that only translators who write poetry themselves can properly re-create the celebrated and timeless tragedies of Aeschylus, Sophocles, and Euripides, the *Greek Tragedy in New Translations* series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals. The volume brings together four major works by one of the great classical dramatists: *Prometheus Bound*, translated by James Scully and C. John Herrington, a haunting depiction of the most famous of Olympian punishments; *The Suppliants*, translated by Peter Burian, an extraordinary drama of flight and rescue arising from women's resistance to marriage; *Persians*, translated by Janet Lembke and C. John Herrington, a masterful telling of the Persian Wars from the view of the defeated; and *Seven Against Thebes*, translated by Anthony Hecht and Helen Bacon, a richly symbolic play about the feuding sons of Oedipus. These four tragedies were originally available as single volumes. This new volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers.

The *Oresteian* trilogy (*Agamemnon*, *Libation Bearers*, *Eumenides*) established the themes of Greek tragedy - the inexorable nature of Fate, the relationship between justice, revenge, and religion. The plays dramatize the murder of Agamemnon by his wife Clytemnestra, the revenge of her son Orestes, and his judgement by the court of Athens. This new translation seeks to preserve the plays' qualities as theatre and as literature.

Aimed at students and scholars of ancient history, this highly accessible book will fascinate anyone interested in the burgeoning fields of refugee and diaspora studies.

Aristophanes is the only surviving representative of Greek Old Comedy, the exuberant, satirical form of festival drama which flourished during the heyday of classical Athenian culture in the fifth century BC. His plays are characterized by extraordinary combinations of fantasy and satire, sophistication and vulgarity, formality and freedom. *Birds* is an escapist fantasy in which two dissatisfied Athenians, in defiance of men and gods, bring about a city of birds, the eponymous Cloudcuckooland. In *Lysistrata* the heroine of the play organizes a sex-strike and the wives of Athens occupy the Akropolis in an attempt to restore peace to the city. The main source of comedy in the *Assembly-Women* is a similar usurpation of male power as the women attempt to reform Athenian society along utopian-communist lines. Finally, *Wealth* is Aristophanes' last surviving comedy, in which Ploutos, the god of wealth is cured of his blindness and the remarkable social

Access Free Persians And Other Plays Oxford Worlds Clics

consequences of his new discrimination are exemplified. This is the first complete verse translation of Aristophanes' comedies to appear for more than twenty-five years and makes freshly available one of the most remarkable comic playwrights in the entire Western tradition, complete with an illuminating introduction including play by play analysis and detailed notes.
