Ruby Red Trilogy - Ebook - Kerstin Gier (9781466885523) | Bokus

The Ruby Red trilogy is a international bestseller series of books by Kerstin Gier, and is translated into over twenty-seven languages, originally written in German. Ruby Red is the first in the series, followed by Sapphire Blue, and lastly Emerald Green.

Gwyneth Shepherd's sophisticated, beautiful cousin Charlotte has been prepared her entire life for traveling through time. But unexpectedly, it is Gwyneth who in the middle of class takes a sudden spin to a different era! Gwyneth must now unearth the mystery of why her mother would lie about her birth date to ward off suspicion about her ability, brush up on her history, and work with Gideon—the time traveler from a similarly gifted family that passes the gene through its male line, and whose presence becomes, in time, less insufferable and more essential. Together, Gwyneth and Gideon journey through time to discover who, in the 18th century and in contemporary London, they can trust. Kerstin Gier's Ruby Red is young adult novel full of fantasy and romance.

Gwyneth discovers that she, rather than her well-prepared cousin, carries a time-travel gene, and soon she is journeying with Gideon, who shares the gift, through historical London trying to discover whom they can trust.

The Ruby Red Trilogy: Ruby Red, Sapphire Blue, and Emerald Green This internationally bestselling series follows Gwyneth Shepherd, a girl with a time-traveling secret. Traipsing through past centuries, juggling a potential romance, and unlocking her destiny, Gwen has her work cut out for her. Ruby Red: Gwen has always known that her family is different—the women, in particular. As time travelers, they are no strangers to the possibility of the impossible. But even they are't expecting it when Gwen shows signs of being a time traveler rather than her cousin Charlotte. Thrust into a world she should have been excluded from, Gwen is introduced to Gideon, a fellow traveler. Although the two don't get along, something other than annoyance might be brewing under the surface. As Gwen masters her new ability, she learns more about herself than she ever could have imagined. Sapphire Blue: Gwen has joined the ranks of the Circle of Twelve, a secret society of chosen time travelers. As the Ruby, Gwen is tasked with finding travelers in the past, all while delving into prophecies and trying to read the mixed signals that Gideon, the Diamond of the Circle, has been sending. With the help of her best friend, a ghost, and a gargoyle demon, Gwen seeks to unearth the truth behind the Circle—a truth that has been actively hidden from her. Emerald Green: Crushed to learn that Gideon may have been deceiving her all along, Gwen has to move forward nonetheless. She has more than enough on her plate: her distrust of Count Saint-Germain, founder of the Circle of Twelve, who wants Gwen to finish collecting blood from the other chosen travelers; the chronograph, a device which will close the Circle if she succeeds; and the resistance she meets at every turn as she seeks more knowledge. With much more to be revealed, Gwen must race against the clock to fulfill her destiny—before it's too late. Includes bonus chapters from Kerstin Gier Dream a Little Dream!

Discovering that she carries a time-traveling gene, Gwen learns that she is a part of a society called "The Circle of Twelve," causing her to jump around historical London in order to uncover other time travelers and their secrets.

Sixteen-year-old Gwen, the newest and final member of the secret time-traveling Circle of Twelve, searches through history for the other time-travelers, aided by friend Lesley, James the ghost, Xemerius the gargoyle demon, and Gideon, the Diamond, whose fate seems bound with hers.

Since learning she is the Ruby, the final member of the time-traveling Circle of Twelve, nothing has gone right for Gwen and she holds suspicions about both Count Saint-German and Gideon, but as she uncovers the Circle's secrets she finally learns her own destiny.

Gwen has a destiny to fulfill, but no one will tell her what it is. She's only recently learned that she is the Ruby, the final member of the time-traveling Circle of Twelve, and since then nothing has been going right. She suspects the founder of the Circle, Count Saint-German, is up to something nefarious, but nobody will believe her. And she's just learned that her charming time-traveling partner, Gideon, has probably been using her all along. Emerald Green is the stunning conclusion to Kerstin Gier's Ruby Red Trilogy, picking up where Sapphire Blue left off, reaching new heights of intrigue and romance as Gwen finally uncovers the secrets of the time-traveling society and learns her fate.

Witty and charming, New York Times-bestselling author Kerstin Gier's contemporary young adult novel A Castle in the Clouds follows a girl as she navigates secrets, romance, and danger in an aging grand hotel. Way up in the Swiss mountains, there's an old grand hotel steeped in tradition and faded splendor. Once a year, when the famous New Year's Eve Ball takes place and guests from all over the world arrive, excitement returns to the vast hallways. Sophie, who works at the hotel as an intern, is busy making sure that everything goes according to plan. But unexpected problems keep arising, and some of the guests are not who they pretend to be. Very soon, Sophie finds herself right in the middle of a perilous adventure—and at risk of losing not only her job, but also her heart.

Mysterious doors with lizard-head knobs. Talking stone statues. A crazy girl with a hatchet. Yes, Liv's dreams have been pretty weird lately. Especially the one where she's in a graveyard at night, watching four boys conduct dark magic rituals. The strangest part is that Liv recognizes the boys in her dream. They're classmates from her new school in London, the school where she's starting over because her mom has moved them to a new country (again). But what's really scaring Liv is that the dream boys seem to know things about her in real life, things they couldn't possibly know—unless they actually are in her dreams? Luckily, Liv never could resist a good mystery, and all four of those boys are pretty cute....

The course of dream travel never did run smooth—at least, not in Liv Silver's experience. Able to visit other people's dreams (whether they want her to or not), Liv has solved mysteries, unearthed difficult truths, fought madmen, and escaped life-threatening peril, all from the comfort of her own bed. But Liv's troubles are just beginning... A rocky romance, a malicious blogger with a hidden identity, a wedding, and a classmate (or two) dead-set on revenge all await Liv in this action-packed conclusion to the Silver trilogy.
