"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Most of us would recognize a star leader by their charisma, emotional intelligence and public communication prowess. What is truly impressive but often overlooked is the silent work of leadership that garners real results. Exercising influence in a complex and global organization – whilst also shaping and executing strategies across borders in a disruptive age – is the true mark of success as a leader. Backstage Leadership takes a comprehensive look at the background processes that leaders must master in order to shape the culture, direction and capability of a successful company. With an emphasis on strategy, the author provides an integrated toolkit for developing your knowledge and skills as a 'backstage leader.' You will learn how to: Mobilize people towards new strategic directions Scan your business environment for threats and disruptive forces Diagnose and help to shape the culture of your organization Develop talent and capabilities towards a specific goal. Focusing on the key and consistent underlying processes of leadership, this book is essential reading for managers who wish to bring focus and coherence to their leadership role and integrate themselves within the engine of the organization.

Yes, You Can Innovate! is a practical how-to guide to help you discover your innovation strengths. Use the free online assessment to improve

Get Free Siemens Gigaset 2011 Pocket User Guide

your ability to create value out of new ideas. Covering the six stages of innovation, find out which of the 6 I's® is your personal strength: • IDENTIFY opportunities by understanding trends, patterns and future areas of growth • IGNITE ideas by creating novel solutions • INVESTIGATE by prototyping, testing and researching ideas • INVEST by having the courage, to create business models and persuade others to back ideas • IMPLEMENT by making an idea happen and creating value from it • IMPROVE by optimising your ideas and learning from success and failure Discover the skills required to successfully innovate, how to understand the problem you want to solve, and how to cultivate and implement innovative ideas. Whether you work for an organisation or are an entrepreneur, each chapter will equip you with a practical toolkit containing examples, activities and resources to help you build and improve your innovation skills. Take the free online assessment to understand your innovation strengths, and challenges, and how to harness your skills, as well as the skills of others to make your ideas happen.

An instant bestseller when first published in 1929—biographies of twelve bold individuals from history and what they did to separate themselves from the pack. In his trademark journalist style, author William Bolitho details the lives of twelve great adventurers—Alexander the Great, Casanova, Christopher Columbus, Mahomet, Lola Montez, Cagliostro (and Seraphina), Charles XII of Sweden, Napoleon I, Lucius Sergius Catiline, Napoleon III, Isadora Duncan, and Woodrow Wilson. Bolitho elucidates both the struggles and successes that made these figures so iconic, and demonstrates how they all battled convention and conformity to achieve enduring fame and notoriety. “We are born adventurers,” Bolitho writes, “and the love of adventures never leaves us till we are very old; old, timid men, in whose interest it is that adventure should quite die out. This is why all the poets are on one side, and all the laws on the other; for laws are made by, and usually for, old men.” Though his essays are nearly one hundred years old, they encompass the timeless values of perseverance, bravery, and strength of spirit that have proven to resonate with the pioneers and thought leaders of today. “It’s really quite good.” —Elon Musk “Twelve Against the Gods provides an interesting perspective on what drove and impeded this group of adventurers . . . A good read for anyone who’s interested in history or looking to find some motivation to switch things up and break the rules.” —Áine Cain, Business Insider “I think Twelve Against the Gods is also very appropriate for this day and age. We need adventurers, and there still are a lot of adventurers.” —China Ryall, daughter of William Bolitho

“An excellent tale of high adventure. Colorful characters come alive against a backdrop of espionage and intrigue (Sherrilyn Kenyon, #1 New York Times—bestselling author). Lady Miriam MacDonald comes to Scotland seeking peace between the Scots and the English—instead, she gets the admiration of two men. The kindly, awkward laird of Kildalton Castle becomes a trusted friend, but the dashing and mysterious Border Lord, disguised by midnight’s cloak, becomes much, much more. Behind Duncan Kerr’s disguise is a lifetime of anguish. Relinquishing his birthright as laird of Kildalton for the role of Border Lord could cost him his future, but Duncan knows that if his true identity is discovered by the beautiful Lady Miriam, he will lose the thing he holds most dear—her heart. “Arnette Lamb has a tremendous gift for writing genuine, warm, humorous, sensual love stories. Border Lord is stupendous!” —RT Book Reviews “Fun, well, written, and paced at breakneck speed. What makes this book special are the main characters . . . A strong liberated lady trying to negotiate for peace between the warring factions [and a hero that’s like] Zorro with a Scots burr.” —Romance Heart to Heart

BBQ Academy is pleased to present The Traeger Grill Bible, the most complete guide and cookbook with 200 tasty recipes to utilize your wood pellet grill to its full potential

Before the events of A New Hope, Darth Vader employs Boba Fett, on a mission to discover and bring to Vader a single small box, the contents of which could change the fate of the galaxy. But there's a catch: Vader trusts no one, and the truth of the box's mystery is too important to allow the bounty hunter to live! When Fett retrieves the prize, he finds himself the target of more of Vader's thralls. Also includes the hard-to-find 1997 Wizard magazine exclusive, Boba Fett #1/2. *
