Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing *East of Eden* with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of "getting my mental arm in shape to pitch a good game." Steinbeck's letters were written on the left-hand pages of a notebook in which the facing pages would be filled with the text of *East of Eden*. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.

A Good Morning America Book Club Pick! • A bighearted debut with technicolor characters, plenty of Texas swagger, and a powder keg of a plot in which marriages struggle, rivalries flare, and secrets explode, all with a clever wink toward classical mythology. "Wildly entertaining." —Richard Russo, Pulitzer Prize-winning author of *Empire Falls* The Briscoe family is once again the talk of their small town when March returns to East Texas two years after he was caught having an affair with his brother's wife. His mother, June, hardly welcomes him back with open arms. Her husband's own past affairs have made her tired of being the long-suffering spouse. Is it, perhaps, time for a change? Within days of March's arrival, someone is dead, marriages are upended, and even the strongest of alliances are shattered. In the end, the ties that hold them together might be exactly what drag them all down. An expansive tour de force, *Olympus*, Texas cleverly weaves elements of classical mythology into a thoroughly modern family saga, rich in drama and psychological complexity. After all, at some point, don't we all wonder: What good is this destructive force we call love?

Steinbeck and Capa's account of their journey through Cold War Russia is a classic piece of reportage and travel writing. A Penguin Classic Just after the Iron Curtain fell on Eastern Europe, Pulitzer Prize-winning author John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the *New York Herald Tribune*. This rare opportunity took the famous travelers not only to Moscow and Stalingrad – now Volgograd – but through the countryside of the Ukraine and the Caucasus. Hailed by the *New York Times* as "superb" when it first appeared in 1948, *A Russian Journal* is the distillation of their

journey and remains a remarkable memoir and unique historical document. What they saw and movingly recorded in words and on film was what Steinbeck called "the great other side there ... the private life of the Russian people." Unlike other Western reporting about Russia at the time, *A Russian Journal* is free of ideological obsessions. Rather, Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II—represented here in Capa's stirring photographs alongside Steinbeck's masterful prose. Through it all, we are given intimate glimpses of two artists at the height of their powers, answering their need to document human struggle. This edition features an introduction by Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
